St Ives

Artist's Cottage is all about location... fantastically situated at the top of the infamous Fish Street this cottage has four of St Ives beaches all within a hop, skip and a splash.

Artist's Cottage has recently been renovated by its owners who lived in the cottage full time up until recently. With steps up to the front door from Back Road East you enter into a large sitting TV room complete with log burning stove. An open plan lounge, kitchen and diner. This makes for a wonderful family and social space so that nobody feels isolated in the kitchen. For those looking for some peace and quiet the second lounge, 'snug' or arts and crafts room is a perfect spot to relax, read a book or get creative.

On the second floor of Artist's Cottage the master double bedroom has an en suite shower, hand basin and WC. The second bedroom is set up as two singles. The third bedroom is a double located in the eaves of the roof and has limited head height. The family bathroom is set in a generous space and has a separate shower cubicle, a stunning roll top bath, a hand basin and WC.

Explore St Ives

There aren't many British seaside towns that manage to be both quaint and cool at the same time but St Ives ticks all the boxes. As well as its famous white sandy beaches, turquoise sea and golden light, this artists' mecca also has a thriving food scene, great surf and miles of breathtaking nearby coastline to explore.

Art

Tate is a national institution which is a network of four galleries that is home to the United Kingdom's collection of British art and international contemporary art. Set directly above the beautiful Porthmeor beach, Tate is the perfect place to lose yourself amongst the array of creative inspirations, browse the shop for a keepsake piece to take home with you and enjoy a bite to eat in the café.

The Barbara Hepworth museum and gardens nestled within the cobbled streets of St Ives displays the artist's iconic modern sculptures and other artworks along with a brief history of her creative journey and life from when she resided in the town during the Second World War.

Harbour Galleries along The Wharf is an arcade of 7 shops that offer a range of affordable prints, original works, sculptures, glassware and other coastal inspired artworks by local artists.

Food

St Ives has a rich history of iconic food and drink and the town is home to some award winning restaurants. From classic fish & chip shops sourcing locally sourced seafood to ice-cream parlours using Cornish reared dairy products, to deli's, bakeries, tea rooms, vegetarian restaurants and michelin star establishments.

At the top end of fine dining experiences has to be The Ugly Butterfly in The Carbis Bay Hotel. Ugly Butterfly showcases Chef Adam Handling's passion for converting locally sourced, quality ingredients into beautifully presented dishes, packed full of flavour. In keeping with both Adam's and the Estate's ethos, there is a strong focus on sustainability. Ugly Butterfly offers an all-day, fine-dining experience. Chef, Adam, has created the menus in the restaurant to be as elevated and theatrical as at 'Frog by Adam Handling' in London's Covent Garden and uses ingredients carefully sourced from in and around Cornwall.

The Allotment Deli stock a wide range of Cornish produce including award winning salamis, cheeses, olives and Cornish pies. They offer plenty of vegan treats to choose from, plus a range of speciality gluten free foods.

Beaches

Most people visit St Ives for its world famous beaches with their beautiful golden sand and striking turquoise waters, making you feel as if you're on a tropical island in paradise. The 6 main beaches of St Ives are : Porthgwithden, Porthmeor, Harbour Beach, Carbis Bay Beach, Porthkidney and Porthminster.
