In the family bathroom is a great sized bathtub with built in electric shower, WC and washbasin with shelving for towels and toiletries.

St Ives is often described as Cornwall's 'Jewel in the Crown' and is one of the UK's most sought after holiday destinations. With its temperate climate and with not one but five golden sandy beaches, clear Atlantic waters and fabulous coastal scenery, it can't fail to impress. It's narrow streets, fashionable shops, restaurants, bars and cafe's all make St Ives a must visit destination.

For Art lovers St Ives is host to the Tate Gallery, the Barbara Hepworth Museum and the Leach Pottery as well as over 25 commercial art galleries. There is also the St Ives School of Painting for those who wish to participate themselves. Classes can be booked in advance.

For those who wish to explore further, St Ives is well positioned with the north and south coast only a twenty minute drive apart. It is very easy to explore the very different scenery of Cornwall, coastal and inland, without having to travel very far.

# Explore St Ives

There aren't many British seaside towns that manage to be both quaint and cool at the same time but St Ives ticks all the boxes. As well as its famous white sandy beaches, turquoise sea and golden light, this artists' mecca also has a thriving food scene, great surf and miles of breathtaking nearby coastline to explore.

## Art

Tate is a national institution which is a network of four galleries that is home to the United Kingdom's collection of British art and international contemporary art. Set directly above the beautiful Porthmeor beach, Tate is the perfect place to lose yourself amongst the array of creative inspirations, browse the shop for a keepsake piece to take home with you and enjoy a bite to eat in the café.

The Barbara Hepworth museum and gardens nestled within the cobbled streets of St Ives displays the artist's iconic modern sculptures and other artworks along with a brief history of her creative journey and life from when she resided in the town during the Second World War.

Harbour Galleries along The Wharf is an arcade of 7 shops that offer a range of affordable prints, original works, sculptures, glassware and other coastal inspired artworks by local artists.

## Food

St Ives has a rich history of iconic food and drink and the town is home to some award winning restaurants. From classic fish & chip shops sourcing locally sourced seafood to ice-cream parlours using Cornish reared dairy products, to deli's, bakeries, tea rooms, vegetarian restaurants and michelin star establishments.

At the top end of fine dining experiences has to be The Ugly Butterfly in The Carbis Bay Hotel. Ugly Butterfly showcases Chef Adam Handling's passion for converting locally sourced, quality ingredients into beautifully presented dishes, packed full of flavour. In keeping with both Adam's and the Estate's ethos, there is a strong focus on sustainability. Ugly Butterfly offers an all-day, fine-dining experience. Chef, Adam, has created the menus in the restaurant to be as elevated and theatrical as at 'Frog by Adam Handling' in London's Covent Garden and uses ingredients carefully sourced from in and around Cornwall.

The Allotment Deli stock a wide range of Cornish produce including award winning salamis, cheeses, olives and Cornish pies. They offer plenty of vegan treats to choose from, plus a range of speciality gluten free foods.
