St Ives

Cowslip Cottage is one of four cottages available on this private non-working farm located at the top of St Ives. This newly refurbished barn conversion is semi detached with parking for two cars and can accommodate up to four guests. St Ives is just a half hour walk away or a five minute walk to the foot path heading out towards Zennor.

Cowslip Cottage is a two storey recent barn conversion and has a very spacious feel to the place. Entering via the open plan kitchen with farmhouse dining table and chairs. The lounge comfortably seats four and the patio doors to the private sun terrace takes advantage of the views to Rosewall Hill, countryside and the afternoon sun. Upstairs both bedrooms have vaulted ceilings with exposed timber beams and are very spacious. The twin bedroom has a small double and single bed and the master bedroom with a king bed. The family shower room is located on the ground floor.

Cowslip Cottage is situated on a quiet farm and away from the hustle and bustle of St Ives. The most farming activity that you will notice will be the tractor cutting the hay fields once every few months over the summer. A field of local Alpacas just up the road if you would like to walk up the lane and pay them a visit.

Explore St Ives

There aren't many British seaside towns that manage to be both quaint and cool at the same time but St Ives ticks all the boxes. As well as its famous white sandy beaches, turquoise sea and golden light, this artists' mecca also has a thriving food scene, great surf and miles of breathtaking nearby coastline to explore.

Art

Tate is a national institution which is a network of four galleries that is home to the United Kingdom's collection of British art and international contemporary art. Set directly above the beautiful Porthmeor beach, Tate is the perfect place to lose yourself amongst the array of creative inspirations, browse the shop for a keepsake piece to take home with you and enjoy a bite to eat in the café.

The Barbara Hepworth museum and gardens nestled within the cobbled streets of St Ives displays the artist's iconic modern sculptures and other artworks along with a brief history of her creative journey and life from when she resided in the town during the Second World War.

Harbour Galleries along The Wharf is an arcade of 7 shops that offer a range of affordable prints, original works, sculptures, glassware and other coastal inspired artworks by local artists.

Food

St Ives has a rich history of iconic food and drink and the town is home to some award winning restaurants. From classic fish & chip shops sourcing locally sourced seafood to ice-cream parlours using Cornish reared dairy products, to deli's, bakeries, tea rooms, vegetarian restaurants and michelin star establishments.

At the top end of fine dining experiences has to be The Ugly Butterfly in The Carbis Bay Hotel. Ugly Butterfly showcases Chef Adam Handling's passion for converting locally sourced, quality ingredients into beautifully presented dishes, packed full of flavour. In keeping with both Adam's and the Estate's ethos, there is a strong focus on sustainability. Ugly Butterfly offers an all-day, fine-dining experience. Chef, Adam, has created the menus in the restaurant to be as elevated and theatrical as at 'Frog by Adam Handling' in London's Covent Garden and uses ingredients carefully sourced from in and around Cornwall.

The Allotment Deli stock a wide range of Cornish produce including award winning salamis, cheeses, olives and Cornish pies. They offer plenty of vegan treats to choose from, plus a range of speciality gluten free foods.

Beaches

Most people visit St Ives for its world famous beaches with their beautiful golden sand and striking turquoise waters, making you feel as if you're on a tropical island in paradise. The 6 main beaches of St Ives are : Porthgwidden, Porthmeor, Harbour Beach, Carbis Bay Beach, Porthkidney and Porthminster.
