Rosewall Farm, St Ives

The Hay Loft is one of four cottages available on this private converted non-working farm located at the top of St Ives. This barn conversion is detached with parking right outside the front door. The Hay Loft is the perfect romantic getaway with a comfy king bed in a mezzanine style studio, fully equipped kitchen, large lounge and lovely shower room.

The Hay Loft is a large and airy open plan style studio. As you enter the property you will find the lounge with a big comfy sofa and a large smart TV. Great for cozy nights in! Down the hallway is the bathroom with a large power shower. The kitchen is fully equipped and includes a washing machine and dishwasher.

The lounge and kitchen both open out onto a Patio that also runs down the side of the building providing lots of privacy for a spot of sunbathing or outdoor BBQ. The bedroom is accessed via the spiral staircase from the lounge. The bedroom has a comfy kingsize bed, clothing storage and a curtain for privacy. There is also a single sofa bed available suitable for one child.

The Hay Loft is situated on a quiet farm and away from the hustle and bustle of St Ives. The most farming activity that you will notice will be the tractor cutting the hay fields once every few months over the summer. A field of local Alpacas just up the road if you would like to walk up the lane and pay them a visit.

St Ives is just a half hour walk away or a five minute walk to the foot path heading out towards Zennor.

Explore St Ives

There aren't many British seaside towns that manage to be both quaint and cool at the same time but St Ives ticks all the boxes. As well as its famous white sandy beaches, turquoise sea and golden light, this artists' mecca also has a thriving food scene, great surf and miles of breathtaking nearby coastline to explore.

Art

Tate is a national institution which is a network of four galleries that is home to the United Kingdom's collection of British art and international contemporary art. Set directly above the beautiful Porthmeor beach, Tate is the perfect place to lose yourself amongst the array of creative inspirations, browse the shop for a keepsake piece to take home with you and enjoy a bite to eat in the café.

The Barbara Hepworth museum and gardens nestled within the cobbled streets of St Ives displays the artist's iconic modern sculptures and other artworks along with a brief history of her creative journey and life from when she resided in the town during the Second World War.

Harbour Galleries along The Wharf is an arcade of 7 shops that offer a range of affordable prints, original works, sculptures, glassware and other coastal inspired artworks by local artists.

Food

St Ives has a rich history of iconic food and drink and the town is home to some award winning restaurants. From classic fish & chip shops sourcing locally sourced seafood to ice-cream parlours using Cornish reared dairy products, to deli's, bakeries, tea rooms, vegetarian restaurants and michelin star establishments.

At the top end of fine dining experiences has to be The Ugly Butterfly in The Carbis Bay Hotel. Ugly Butterfly showcases Chef Adam Handling's passion for converting locally sourced, quality ingredients into beautifully presented dishes, packed full of flavour. In keeping with both Adam's and the Estate's ethos, there is a strong focus on sustainability. Ugly Butterfly offers an all-day, fine-dining experience. Chef, Adam, has created the menus in the restaurant to be as elevated and theatrical as at 'Frog by Adam Handling' in London's Covent Garden and uses ingredients carefully sourced from in and around Cornwall.

The Allotment Deli stock a wide range of Cornish produce including award winning salamis, cheeses, olives and Cornish pies. They offer plenty of vegan treats to choose from, plus a range of speciality gluten free foods.
