

01

The open-plan living and dining area features a bespoke hand-built kitchen with banquette seating, perfect for creating holiday meals. The first floor boasts two elegant bedrooms, flexible for couples or families, alongside a main bathroom with a bath, shower, and laundry facilities, plus an additional shower room.

02

The top floor offers a stunning snug with panoramic harbour views and a charming bedroom with extra space for a child. An outdoor shower is ideal for rinsing off after a beach day, while the harbour's boutique shops and cafes are just a short stroll away.
