

Beagle Cottage is a stunning coastal retreat nestled in 35 acres of private countryside near St Ives. With breathtaking sea views, spectacular sunrises and sunsets, and world-class beaches just 1.5 miles away, it's the perfect place to relax and unwind.

This newly renovated, spacious cottage features three beautifully designed en-suite bedrooms, including a master suite with sea views and garden access. The open-plan kitchen and dining area boasts vaulted ceilings, a farmhouse table, and panoramic windows, making it the heart of the home. Cosy living spaces include two wood-burning stoves, Chesterfield sofas, and large

01

sliding doors opening onto sun terraces with far-reaching coastal views.

Luxury touches ensure a comfortable stay, including underfloor heating, superfast fibre broadband, and a Sonos sound system. A private home office with an ergonomic setup and ocean views makes it ideal for remote work. The enclosed garden provides a
