01

Right next to this room is the family bathroom with shower, wash basin and WC. Up the final flight of stairs of Zig Zag you will locate the primary bedroom on the third floor with hanging rail, chest of drawers and full length mirror. From the windows of this king bedroom you will have views of Smeaton's pier and Harbour beach.

02

Zig Zag is located on a street full of character and charm, just a stone's throw from glorious sandy beaches. The Downalong area of St Ives is popular with holiday makers due to its abundance of fishermen's cottages which line the cobbled streets and its close proximity to the three main beaches of St Ives.
